

PRIVACY

Information on processing personal data.

In accordance with Italian DL 196/2003 (Code for the protection of personal data), we inform you that the personal information collected on this website are used by Audiogram only in order to carry out the services you may be required. The treatment modalities are automated and strictly necessary for the purposes listed above. The conferment of data information is optional, however, without them you can not deliver the service. Holder of the treatment is Audiogram sas.

This site may contain links to other sites to which this statement is not applicable for privacy.
